Mayor Roach opened the meeting to Council.

President Randolph-Sharpe advised the residents that the South Jersey Food Bank has moved to the PATCO lot behind the Walgreens due to the installation of solar panels. Signs are posted but she asked everyone to spread the message.

Mayor Roach opened the meeting to the public.

Diane Veteri, resident, requested an update on Redevelopment. The Mayor responded that it is almost complete. It would have been completed except that the courts have been closed. He inspected the property and informed every one of the improvements that are being made including pressure washing the outside of the buildings. President Randolph-Sharpe added that several buildings are having the roofs replaced.

There being no one else desiring the floor, the Mayor closed the meeting to the public.

The Business Administrator presented the US Census update with a 50.5% response rate. She encourages everyone to complete online or by phone so that Lindenwold will be counted. The Borough is holding a Census Day of Action on August 6 to try to increase this response rate along with additional incentives. August 11 workers will start canvassing.

Mayor Roach provided an update on the virus. 489 cases have been reported. The numbers are starting to rise in other towns. He thanked the residents for their continued support in this effort.

Motion was made by President Randolph-Sharpe, second by Councilman DiDomenico that the meeting be adjourned. Voice vote was unanimous in the affirmative. Motion carried.
